2016/17**

Dear Parents or Guardians,

In order to better promote an understanding between the home and Spencer Butte Middle School, we are asking you to read this District 4J form for parents and discuss it with your son or daughter.

It should also be understood that several obligations must be met prior to your student's participation. (This means prior to the first track meet except Proof of Insurance which must be in before the **first practice**.)

|-------|---|
| _____ | Physical Examination (This is required every two years) |
| _____ | Interval History Form |
| _____ | Insurance (Please list Ins. Company name). All participants must have insurance, either their own or that provided by the district.) |
| _____ | Participation fee - \$100.00 |

I have read both sides of this District 4J Athletic Form and discussed it with my son/daughter. We will abide by all district rules and regulations.
