

**FROM THE PRINCIPAL**

Dear Parents and Community Members,

Middle school is an important time for your student. At Spencer Butte, we help students develop the academic skills they will need in high school and beyond.

4J middle schools:

- Monitor students' progress and provide extra support when needed
- Emphasize reading and writing in all content areas
- Implement the Common Core State Standards, AVID (Advancement Via Individual Determination) and WICOR (Writing, Inquiry, Collaboration, Organization, Reading) strategies, and other

methodologies to better prepare students for college and careers

Our middle schools also provide special interest clubs and extracurricular activities. Each school has a counselor to advise students and has implemented a program for creating a safe school culture free of harassment and discrimination.

Parents are critical to student success. You can help by staying in touch with the school, working with your student to track and manage homework, monitoring grades and test scores, and talking about how important school is for your student's future. We look forward to partnering with you to help your student have a great year.

Thank you,

Principal | Tasha Katsuda
