

# YouTube Restricted Mode

## Getting Started

Students may be blocked from watching certain YouTube videos until they sign in with their 4J username and password.

### If You're Using a Computer (Not an iPad):

1. Open a web browser (ex: Chrome) and navigate to [youtube.com](https://youtube.com).
2. Look to the upper right area of the YouTube webpage. You will either see a "Sign In" button or a user avatar icon (a picture or letter of the alphabet):

3. If you see a user avatar icon instead of "Sign In":
  - 3.A. Click the avatar icon ("J" in this example):

- 3.B. If you see your 4J email address then skip to "Watch a YouTube Video" below.
  - 3.C. If you do not see your 4J email address then you must click the "Sign out" button, completely quit the web browser, and start over from step 1.
4. If you see a "Sign In" button, click it.
    - 4.A. Enter your 4J email address (for example my 4J email address is [winand\\_r@4j.lane.edu](mailto:winand_r@4j.lane.edu)) and click "Next":

- 4.B. You may be redirected to the 4J Secure Login webpage. Enter your 4J username (without the @4j.lane.edu part, for example my username is winand\_r) and password. Click "Login":

### If You're Using an iPad (Not a Computer):

1. Find the YouTube App and tap it to open it:

2. If you are asked to sign in to YouTube, follow steps 4.A and 4.B above.

### Watch a YouTube Video

Note the blue bar below the video:

If it says "Video not approved for 4j.lane.edu" and the video will not play, ask your teacher to approve the video and give them a link to the video. You can get the video link by clicking "Share" and then "Copy" (or "Copy link"):

Paste this link into an email to your teacher.
